***Wholesale Acquisition Cost (WAC)** is the manufacturer's undiscounted list price for a drug to wholesalers as reported to third party drug pricing publishers. WAC does not represent actual transaction prices and does not include prompt pay or other discounts, rebates or reductions in price. Most patients do not pay WAC. The amount patients pay for Livsayis will vary and largely depends on whether they have insurance, the type of insurance they have, whether their insurance provider considers the medication to be preferred or not preferred, and whether they have met their deductible.
